Norman's Glass specializes in flat glass products. We offer mirrors, furniture tops, annealed and tempered (safety) window glass replacements, insulated glass units, safety glass, plexiglass and lexan products, acrylic sheets and more! We are a family-owned and operated business with over 40 years of experience in all types of glass. You will get the type of personal one-on-one service you expect. We carry and create custom framed and frame less

mirrors, custom cut table tops and furniture tops, flat glass, beveled glass, mitered glass. We have a top of the line, full service glass polishing machine made by Besana, that allows us to quickly fabricate your custom glass needs. Norman's Glass owns and fabricates holes in glass of any size and shape and quantity using our Besana glass diamond tip drilling machine. Sandblasting: Norman's Glass can sandblast and etch a custom design into any piece of glass you desire! We can create a one-of-a-kind piece of artwork that will be the centerpiece of your home for years to come. We are a small family-owned company with the ability to achieve big projects! Let us handle any and all of your glass repairs, window replacements and new projects. We can have a glass professional come to your home personally and survey your glass needs and make a best recommendation for you! Shower doors: Norman's Glass and Auto Services can design, furnish and install a custom shower door. Find everything you need to know about custom framed and frameless shower doors and the perfect application for your home!
